Rockville, MD 20857

Commissioner Henney:

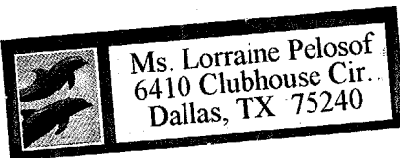

In reference to Docket 99P-0033/CP 1, I urge you to act on the recent HFA petition that calls for an end to using dead farm animals as a food source for other farm animals. Not only does this practice carry a disease risk but, it also provides a very unnatural food source for those animal species that are not naturally meat eaters.

Sincerely,

Lorraine Pelosof
